ANNEXTURE III

CORPORATE GOVERNANCE REPORT:

CORPORATE GOVERNANCE REPORT

Pursuant to Regulation 15 of (Listing Obligations and Disclosures Requirements), 2015, the company hereby discloses the compliances to the best extent possible in this Corporate governance report, which shall be forming part of Annual report for the Financial year 2023-24.

In accordance with the provisions of the SEBI (Listing Obligations and Disclosures Requirements), 2015 ("Listing Regulations") the report containing the details of Corporate governance systems and processes of the Company is as follows together with Auditor's certificate annexed as **Exhibit A** to this Report, on compliance with the conditions of Corporate governance laid down are presented in the report on Corporate governance for the year ended March 31, 2024.

Corporate governance provides that a Company is directed in such a way that it performs efficiently and effectively, keeping in view the long term interest of the shareholders, while respecting Laws and regulations of land and contributing, as responsible corporate citizens to the national exchequers.

COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE

Corporate Governance refers to system of practices and processes by which a company is directed, controlled and governed. Corporate Governance essentially involves balancing the interests of the many stakeholders and maximize the value for all stakeholders which predominantly includes its shareholders, management, customers, suppliers, financiers, Government and the community. Good corporate governance helps to build an environment of trust, transparency and accountability necessary for fostering long term investment, financial stability and business integrity, thereby supporting stronger growth for the company to fulfill its goals and objectives.

Corporate Governance for the Company comprises of processes and principles conforming to the highest standards which are reviewed periodically to ensure their continuing relevance, effectiveness and responsiveness for all stakeholders. The Company constantly strives to generate long term value and trust for its stakeholders.

The Company ensures regular dissemination of information to the Board of Directors of the Company ("**Board**") to ensure effective oversight of the Company's business activities. The Board reviews corporate policies, overall performance, accounting and reporting standards and other significant areas of management, corporate governance and regulatory compliance. The Company's philosophy on Corporate Governance envisages the attainment of highest levels of transparency, accountability and equity, in all facets of its operations and in all interactions with its stakeholders, including shareholders, employees, the government, lenders and the society.

Our Governance philosophy is based on the following:-

- Management is the trustee of the Shareholders capital and not the owner.
- Provide an enabling environment to harmonize the goals of maximizing stakeholder value and maintaining a customer centric focus.
- Have a simple and transparent corporate structure driven solely by business needs.
- Communicate externally, in a truthful manner, about how the Company is running internally.
- Make clear distinction between personal convenience and corporate resources.
- Be transparent and maintain high degree of disclosure levels in all facets of its operations.
- Satisfy the spirit of the law and not just the letter of the law.

The Company's philosophy on Corporate Governance is thus concerned with the ethics, values and morals of the Company and its directors, who are expected to act in the best interests of the Company and remain accountable to shareholders and other beneficiaries for their action.

Your Company follows Corporate Governance practices around the following philosophical cornerstones:

Generative transparency and openness in information sharing

Company believes that sharing and explaining all the relevant information on the Company's policies and actions to all those to whom it has responsibilities, with transparency and openness, generates an ambience which helps all the stakeholders to take informed decisions about the Company. This reflects externally in making maximum appropriate disclosures without jeopardizing the Company's strategic interests as also internally in the Company's relationship with its employees and in the conduct of its business.

Transparency and openness is an organizational value and is practiced in action across levels at "**Thakkers Group Ltd**". The Chairman as well as the CEO share the strategic direction the organization is taking and also reinforce the mission and vision.

The Company announces its financial results every quarter, usually within 40 days from the end of the quarter. Apart from disclosing these in a timely manner to the Stock Exchanges, the Company also hosts the results on its website together with a detailed information update and media release discussing the results. The financial results are published in leading newspapers. The Company also sends an email update to the Members who have registered their email addresses with the Company.

The Board has also adopted a comprehensive Policy for Determination of Materiality of Event or Information in accordance with Regulation 30 of the SEBI Regulations and the Company makes prompt disclosures to the Stock Exchanges where the shares of the Company are listed regarding material events/ information so as to keep the Stakeholders apprised and enable them to make informed decisions.

Constructive separation of Ownership and Management

Company's philosophy to have constructive separation of the Management of the Company from its Owners manifests itself in the composition of the Board of Directors wherein the office of Chairman of the Board and Director & CEO are held by distinct individuals. The Board comprises of 6 Directors, out of which are Independent Director constituting half of the Board strength. The Independent Directors ensure protection of interests of all the stakeholders of the Company. The Board includes one Woman Director. The Board does not consist of representatives of creditors or banks. The Board composition attempts at maximizing the effectiveness of both, Ownership and Management by sharpening their respective accountability.

The participation of the Senior Management Personnel is ensured at Board and/or Committee meetings so that the Board/Committees can seek and get explanations as required from them.

Accountability:

The Board plays a supervisory role rather than an executive role. Members of the Board provide constructive critique on the strategic business plans and operations of the Company. Mr. Chetan Giridharlal Batavia, Chairman continues to head the Company's business and is responsible for its day to day management and operations along with Mr. Gaurav Thakker and reports to the Board.

Responsibility:

The Company has put in place various mechanisms and policies to ensure orderly and smooth functioning of operations and also defined measures in case of transgressions by members.

The Company has integrated its internal regulations relating to these mechanisms, into a Unified Code of Conduct. In order to ensure that such Code of Conduct reflects the changing environment, both social and regulatory, given the increasing size and complexity of the business and the human resources deployed in them, the NRC reviews the Unified Code of Conduct document periodically.

The Company's Unified Code of Conduct is applicable to all members viz the employees (whether permanent or not), and the Members of the Board and Associates (in some cases). The Unified Code of Conduct prescribes the guiding principles of conduct of the members to promote ethical conduct in accordance with the stated values of Company and also to meet statutory requirements. The Whistle Blower Policy for all the stakeholders is embedded in the Unified Code of Conduct. The Code also covers our associates who partner us in our organizational objectives and customers for whom we exist.

Fairness

All actions taken are arrived at after considering the impact on the interests of all shareholders including minority shareholders. All shareholders have equal rights and can convene general meetings, if they feel the need to do so, in accordance with the provisions of the Act. Investor Relations is given due priority. Full disclosures are made in the general meeting for all matters. Notices of the general meetings are comprehensive and the presentations made at the meetings are informative. The Board is remunerated commensurately with the growth in the Company's profits.

Your Company is an equal opportunity employer and promotes diversity and inclusion in its workforce, in terms of skills, ethnicity, nationalities and gender.

Social Awareness:

The Company has an explicit policy emphasizing ethical behavior. It follows a strict policy of not employing any minor. The Company believes in gender equality and does not practice any type of discrimination. All policies are free of bias and discrimination. Environmental responsibility is given high importance and measures have been taken at all locations to ensure that members are educated and equipped to discharge their responsibilities in ensuring protection of the environment.

Value-adding Checks & Balances:

Company relies on a robust structure with value adding checks and balances designed to:

- prevent misuse of authority;
- facilitate timely response to change and
- Ensure effective management of risks, especially those relating to statutory compliance.

At the same time, the structure provides scope for adequate executive freedom, so that bureaucracies do not take value away from the Governance Objective.

Checks & Balances:

- All Directors are provided with complete information relating to the operations and Company finances to enable them to participate effectively in the Board discussions.
- **Proceedings of Board are logically segregated and matters are delegated to Committees as under:**
- Audit Committee covers approval to related party transactions, review of internal controls and audit systems, oversight on risk management systems, financial reporting, compliance issues and vigil mechanism, appointment and remuneration to various auditors of the Company and their scope,
- Vigil Mechanism and Code of Conduct cases are discussed and reviewed in detail by the Audit Committee jointly with the NRC. The Audit Committee reviews the effectiveness of this process to ensure that there is an environment that is conducive to escalation of issues, if any, in the system.
- Stakeholders' Relationship Committee specifically looks into various aspects of interest of the shareholders.
- Each Non-Executive Director brings value through his specialization.
- Other Directorships held by Directors are within the ceiling limits specified.
- Committee Memberships and Chairpersonship of Directors are also within the permissible limits.
- Statutory compliance report along with the Compliance Certificate is placed before the Audit Committee and Board at every quarterly meeting.

- All Directors endeavor to attend all the Board/ Committee meetings as also the General Meetings of the Company. The Chairpersons of the Audit Committee, the NRC and the Stakeholders' Relationship Committee attend the Annual General Meeting to address shareholders' queries, if any.
- The Chief Financial Officer and the Company Secretary & Compliance Officer, in consultation with the Chairman of the Board/ respective Committee and the Director & CEO, formalize the agenda for each of the Board / Committee Meetings.
- The Board/Committees, at their discretion, invite Senior Management Personnel and other employees of the Company and/or external Advisors to any of the meetings of the Board/Committee.
- The Company ensures compliance with Secretarial Standard-1 and Secretarial Standard-2 issued by the Institute of Company Secretaries of India in respect of the meetings of the Board/Committee and Shareholders.

INDEPENDENT AUDITOR'S REPORT

To
The Board of Directors of
Thakkers Group Limited
(Formerly known as Asian Food Products Limited)
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone Ind AS financial statements of Thakkers Group Limited (Formerly known as Asian Food Products Limited) ('the Company'), which comprise the Balance sheet as at 31 March 2024, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash flow statement for the year then ended, and a Statement of changes in equity for the year ended and notes to standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements" section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Key audit matters	How our audit addressed the key audit matter
Transactions with Related Parties <p>The company along with majority of its related parties operate in the similar line of business. The transactions with related parties are significant that have effect over balance sheet and specifically over both i.e. advances given and taken. Advances given against land represent 16.02% of the total assets of the company. Out of the said advances 99.96% are advances given to related parties. Also, advances received against land represents 1.17% of the company's total liabilities out of which 80.96% are with related parties of the company. This company along with its related parties operate in the same sector and have significant transactions amongst themselves during the year. Such transactions with related parties are necessitated to be at arm's length, they involve significant cash flow between parties, intercompany contracts, and common management amongst other things, they are considered to be a key audit matter.</p>	<p>Audit procedure included identification of related party relationships, classification, examination of transactions from the perspective of arm's length criteria adopted by the Board of Directors, risks attached to items such as guarantees and recovery of capital advance, ageing and provisioning policies and practices, review of confirmation and reconciliation process, review of controls and analytical review of various account balances and transaction balances amongst other things.</p>

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Standalone Ind AS Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements

that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, the management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the board of directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss (including other comprehensive income) and the cash flow statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

Annexure B to the Independent Auditors' Report

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE IND AS FINANCIAL STATEMENTS OF THAKKERS GROUP LTD (Formerly known as ASIAN FOOD PRODUCTS LIMITED)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Thakkers Developers Limited** as of 31 March 2024 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to the standalone Ind AS financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to the standalone Ind AS financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the standalone Ind AS financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to the standalone Ind AS financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting with reference to the standalone Ind AS financial statements.

Meaning of Internal Financial Controls over Financial Reporting with reference to the standalone Ind AS financial statements

A company's internal financial control over financial reporting with reference to the standalone Ind AS financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to the standalone Ind AS financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of

management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting with reference to the standalone Ind AS financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to the standalone Ind AS financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to the standalone Ind AS financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to the standalone Ind AS financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these standalone Ind AS financial statements and such internal financial controls over financial reporting with reference to these standalone Ind AS financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

A. Corporate Information

Thakkers Group Ltd (Formerly known as Asian Food Products Limited ("the Company") (CIN : L70100MH1968PLC013919) is a listed company incorporated in India and governed by Companies Act, 2013 ('Act'). The Company's registered office is situated at 7, Thakkers, Near Nehru Garden, Nashik 422 001. The company is engaged in manufacturing of agro based products and its allied services and proposed for real estate development, infrastructure and hospitality activities

During the year ended on 31st March, 2024, the company has not carried out any business operations. Accordingly disclosures have been made to the extent applicable.

B. Significant Accounting Policies

1. Significant Accounting policies relevant to the Companies operations have been disclosed here.

Basis of preparation of financial statements

The financial statements are prepared in accordance with Indian Accounting Standards (IND AS) notified under under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on historical cost convention on the accrual basis. There are no assets or liabilities that are required to measure at fair values.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements were approved for issue by the Board of Directors on May 29, 2024

2. Use of estimates

The preparation of the financial statements in conformity with IND AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financial statements have been disclosed at appropriate places.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

The said estimates are based on the fact and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

3. Current versus Non-Current classification

The Company's normal operating cycle in respect of operations relating to the construction of real estate projects may vary from project to project depending upon the size of the project, type of development, project complexities and related approvals. Operating cycle for all completed projects is based on 12 months period. Assets and liabilities have been classified into current and non-current based on their respective operating cycle.

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Ø Expected to be realised or intended to be sold or consumed in normal operating cycle,
- Ø Held primarily for the purpose of trading,
- Ø Expected to be realised within twelve months after the reporting period, or
- Ø Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

Trade receivables which are expected to be realised within 12 months from the reporting date shall be classified as current. Outstanding more than 12 months shall be shown as noncurrent only unless efforts for its recovery have been made and it is likely that payment shall be received within 12 months from the reporting date.

A liability is current when:

- Ø It is expected to be settled in normal operating cycle,
- Ø It is held primarily for the purpose of trading,
- Ø It is due to be settled within twelve months after the reporting period, or
- Ø There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

A payable shall be classified as Trade Payable if it is in respect of the amount due on account of goods purchased or services received in the normal course of business.

Trade payables which are expected to be settled within 12 months from the reporting date shall be shown as current.

The company classified all other liabilities as non-current.

4. Revenue Recognition

a) Sale of Service

In respect Estate Dealing/Development Activity:

The company recognises income from estate dealing and Development activity in fulfilling all obligations in a substantial manner, as per the terms of contract and on execution of agreement in writing. Costs are accumulated and charged to the property and the payments received from customers are shown as advance received under liabilities till such an event.

- b) All financial instruments measured at amortised cost, interest income is recognised using the effective interest rate (EIR), which is the rate that exactly discounts the estimated future cash payments or receipts through the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial assets. Interest income is included in other income in the statement of profit and loss.

b) Dividend income

Revenue is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

c) Other Income

Other incomes are accounted on accrual basis as and when they are earned

5. Employee Benefits

The company has not laid down any formal policy in relation to short term and long term employee benefit expenses since the company had only one employee during the year ended 31st March, 2024.

6. Income taxes

Current income tax:

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the

statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and reduces to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the MAT to be utilised.

Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

7. Property, Plant and Equipment (PPE) and Transition to Ind AS

PPE is recognized when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All items of PPE are stated at cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes expenditure that is directly attributable to the acquisition and installation of such assets if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalized only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. When significant parts of the plant and equipment are required to be replaced at intervals, the company depreciated them separately based on their specific useful lives.

Items such as parts and servicing equipment are recognised as PPE if they meet the definition of property, plant and equipment and are expected to be used for more than one year.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "Capital Work-In-Progress" and carried at cost, comprising of directly attributable costs and related incidental expenses.

There is no intangible assets of the company for the year ended 31st March, 2024

8. Depreciation on Property, Plant and Equipment

Depreciation has been provided on the Written down Value method, as per the useful lives specified in Schedule II to the Companies Act, 2013. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. The useful lives of PPE are as under:

Sr. No	Particulars	Category of Assets	Useful life as per Schedule II	Useful life adopted by the company
1.	Plant and Machinery	Portable cabin	12	12
2.	Intangible Assets	Computers/Software	5	5
3.	Plant and Machinery	Plant and Machinery	15	15
4.	Land & Building	Land & Building	60	60
5.	Plant and Machinery	Electrical Equipments	10	10
6.	Furnitures - Fixtures & Equipments	Furnitures - Fixtures & Equipments	8	8
7.	Computer	Computer	3	3

8.	Office Equipements	Office Equipements5	5	5
9	Plant and Machinery	Vehicles	8	8

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

9. Investment properties

Transition to Ind AS

Under the previous Indian GAAP, investment properties were carried in the balance sheet at cost less accumulated depreciation / amortisation and impairment losses, if any. The Company has elected to regard those values of investment properties as deemed cost at the date of transition to Ind AS (April 01, 2015).

Recognition and initial measurement

Investment properties are properties primarily consisting of Land held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at cost, including transaction costs. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company.

The carrying amount of Investment Property is reviewed periodically for impairment based on internal /external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

When significant components of Investment Properties are required to be replaced at intervals, recognition is made for such replacement of components as individual assets with specific useful life and depreciation, if these components are initially recognised as separate asset. All other repair and maintenance costs are recognised in the statement of profit and loss as incurred.

De-recognition

Investment properties are derecognized either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in the statement of profit and loss in the period of de-recognition

10. Earnings per share

The Company's Earning per Share (EPS) is determined based on the net profit attributable to the Shareholders of the Company. Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, the net profit / (loss) for the year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares

11. Provisions, contingent liabilities and contingent assets

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

Contingent liabilities are disclosed in respect of possible obligations that have risen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise, or is a present obligation that arises from past events but is

not recognised because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made.

A contingent asset is generally neither recognised nor disclosed.

12. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or Company's of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted market prices or other available fair value indicators.

13. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand.
